Michael Anderson, MD  
President & CEO  
Fort HealthCare

### Message from the Fort HealthCare President and CEO

When assessing quality of life, one's health and well-being are certainly two of the most critical factors. As our mission and vision so aptly states, Fort HealthCare strives to be a partner in this important journey towards improved quality of life for our community. For over 80 years, Fort HealthCare has expertly tailored our services to meet the needs of the community and that work continues today as we continuously develop and grow our services to reflect the evolving healthcare environment. Our strategies have included encouraging regular primary care visits, physical activity, good nutrition, and safe behaviors at home and in the workplace. We believe strongly in early detection and prevention, while offering evidenced based treatment of chronic disease when it occurs. We recognize that education is an important feature of our work. A healthy community will not only positively impact our current community members, but also future generations.

Fort HealthCare serves residents of eight-communities and is the only hospital in Jefferson County. Our hospital is a modern, fully accredited, acute care facility that offers ambulatory surgery, specialty clinics, a birthing center, cardiac rehabilitation, emergency services including the Urgent Care Program for after-hours treatment of minor illnesses and injuries, occupational medicine and more. Our primary and specialty care services are provided through clinics located in Fort Atkinson, Cambridge, Jefferson, Johnson Creek, Lake Mills, and Whitewater. Primary and specialty care providers from UW Health, Dean Medical Center and other organizations also trust Fort Memorial Hospital to deliver the highest quality medical care to their patients.

As we look to the future, the best way to achieve our mission and vision is to do so as an independent, community health care system. This status provides us the agility to continue to provide the community with financially sound, viable, and locally based healthcare. We are proud to serve as your trusted healthcare home and look forward to our continued partnership. Please use this Directory to learn more about our providers and identify those who may assist you to better health!

Sincerely,

Michael Anderson, MD

Fort HealthCare President & CEO

### Our Mission and Vision

**Mission:** To improve the health and well-being of our community

**Vision:** To be the healthiest community in Wisconsin
