Fitness

Above the Belt Head to the hips will be a HIT! Gain flexion, range of motion and strength.

Absolute Arms Increase your range of motion while sculpting your arms inside and out!

Aqua Zumba® Aqua Zumba® keeps the Zumba® fitness workout party going in the pool! This 45-minute class is a challenging water-based workout that integrates the Zumba® formula and philosophy into traditional aqua fitness.

Below the Belt Anything goes below the belt! Strength and Flexibility will be the focused gain in this class.

Body Blast A 6-week class that will get your heart pumping and muscles toned while using hand weights, a stability ball, and floor mat. The class is designed to help you achieve health benefits such as maintaining bone density and increasing strength.

Butts & Guts A fun and challenging way to strengthen and use your core and posterior!

Core Concentration Great beginner class to strengthen the 5 layers of abdominal muscles and back for the centering support that we need!

Form & Function Great starter class for learning proper form and technique. Understand what muscles are working and why!

Glutes & Abs A fun and challenging way to tighten and tone your whole core (abs and lower back) and posterior (glutes).

Group Strength A total body conditioning class that targets all major muscles with minimal cardio. Come get a great workout that will teach you how to get the body you deserve!

Hardbody Boot Camp This intense one-hour class focuses on the full body. Using equipment and body weight exercises, this class focuses on toning muscle with intermittent cardio intervals.

Hardcore Boot Camp The name is your goal! Challenging exercises that will increase your strength, endurance and flexibility.

Healthy Steps Therapeutic exercise and movement program with wonderful music to help you thrive! This class improves overall wellness, range-of-motion, balance, strength and endurance, as well as emotional well-being and self-image.

Insanity® A fun cardio-based total body workout that provides a wide variety of modifications. Are you ready to get insane?!

Kick & Crunch Kickboxing and core workout. Burn off the after work stress in this 30 minute class.

Kick-Step-Box Powerful fusion that integrates kickboxing and step. Burn calories and increase muscle definition

Kickbox Cross Athletic kickboxing with intervals of cardio. You can expect to gain flexibility, strength and balance.

No Nonsense, Low-Impact Workout Low impact, high energy! Be prepared to sweat and burn lots of calories with 30 minutes of aerobics followed by 30 minutes of strength training and basic calisthenics. Moves are EASY to follow and EASY on the joints.

Skinny Arms Express Skinny Arms Express is a fun way to tone and tighten the problem areas of the arm and upper body in a high-energy atmosphere. Exercises will vary week by week and the equipment includes dumbbells, Thera-bands, exercise balls, and your own body.

Step & Sculpt Step Patterns mixed with strengthening moves. Get your heart rate elevated as your strengthen the body.

Tabata Burn Strength and cardio interval blast in 30 minutes. Your choice if you want to leave sweaty or not.

Tabata Infused Boot Camp Interval training in various strength and/or cardio protocols.

Zumba® This fitness-oriented 6-week party fuses cardio workouts with a Latin flavor in easy-to-follow dance routines with intervals of body toning. These dance moves create a dynamic, calorie burning workout.

Body, Mind, & Spirit

Basic T'ai Chi T'ai Chi is a traditional exercise practiced for health, relaxation, meditation, and self-defense. The health benefits include increased circulation, balance, strength, calmness, and confidence. The Yang Style of Professor Cheng Man-Ch'ing will be taught and students may learn two-person T'ai Chi T'ui Shou after completing the solo form. T'ai Chi can be practiced by people of all ages and physical conditions and no special equipment is required.

Beginning Yoga Develop the fundamentals of connecting breath to yoga postures, learn techniques to release tension, and improve strength and flexibility. Prior experience not required.

Meditation and Breathing Techniques to Calm the Mind This class will focus on meditation and breathing techniques to calm the mind and unwind tension in the body.

Continuing T'ai Chi Participants must have completed Basic T'ai Chi or other beginning T'ai Chi class in this more advanced version of Fort HealthCare's T'ai Chi classes.

Continuing Yoga Participants will continue to develop the fundamentals of connecting breath to yoga postures, learn techniques to release tension, and improve strength and flexibility. This is an advanced beginner/intermediate level, but can be modified to any level of fitness.

Corrections T'ai Chi Participants must have completed Basic T'ai Chi or a beginning T'ai Chi class.

Noon Beginning Yoga Participants will have the opportunity to relax and de-stress while learning the fundamentals of yoga.

A Healthier You

Movin' and Losin' Families This 10 week family fitness and weight management program is designed for families with children ages 6-16 who are looking for ways to incorporate healthy eating and a more active lifestyle into their lives. A different topic related to nutrition and getting active is covered each week. Every class includes a fun family fitness activity.

Movin' and Losin' Adults This 12-week weight management program, delivered in two 12-week sessions, is designed specifically for adults with education and physical activity designed to help you reach your lifestyle and weight goals.
