CLASS DESCRIPTIONS

ABSOLUTE ARMS- Join the class that only focuses on your arms! This class will help to improve your range of motion, in addition to tightening, and toning your arms.

AQUA ZUMBA- This 45 minute class is a water-based workout that is disguised as a dance party! The class integrates the Zumba formula into traditional aqua fitness. Come enjoy Zumba in the pool!

BODY BLAST- Enjoy a total-body workout that incorporates walking to warm up, and different circuits and workouts that incorporate strength-training, cardio, and core work. All equipment is provided by the hospital.

GLUTES & ABS- a fun and challenging way to tone and tighten these hard to target areas.

GET 'N FIT FITNESS- Get 'N Fit is a great class for those interested in starting an exercise program. Weekly workouts are always something different, but include cardiovascular and strengthening exercises.

HEALTHY STEPS- The Healthy-Steps program improves overall wellness, range-of-motion, balance, strength, and endurance in addition to emotional well-being and self-image.

NO NONSENSE, LOW IMPACT WORKOUT- Be prepared to sweat and burn calories with 30 minutes of aerobics followed by 30 minutes of strength training. Moves are easy to follow and easy on the joints.

MILD MOTION- This low-impact, gentle exercise class features different movements and stretching to maintain joint flexibility. Refreshments and time for socializing are part of the class as well.

ZUMBA- This dance party fuses cardio workouts with a Latin flavor in an easy to follow dance routine mixed with intervals of body toning.

YOGA- Participants will have the opportunity to improve posture, balance, flexibility, body awareness, and presence of mind through basic yoga postures & meditation techniques. This yoga class is welcome to anyone interested in yoga and can be modified to most fitness levels.
