

# 2022 Love Lights

*≈ Reflecting on 38 years of  
generosity and caring ≈*

Dear Love Light Tree Supporters,

We would like to take this opportunity to thank all of our generous supporters for contributing to the Love Light Tree Project.

Once again individuals, organizations and businesses from the communities and surrounding areas of Fort Atkinson, Jefferson, Lake Mills, Whitewater, Palmyra and Cambridge have come together to support the Fort HealthCare Partners annual Love Light Trees Project. We are so very thankful for your help in making our goal become a reality.

Due to your generosity, we will be able to provide several scholarship awards for area students pursuing degrees in the health care field. There is currently a shortage of medical personnel in Wisconsin. Nursing and medical schools are costly and these scholarships will greatly help students achieve their dreams and provide educated healthcare personnel for the future.

Additionally, funds raised will be used to provide CareLine medical alarm services and equipment for the needy in the Fort Healthcare service area. There are people in our communities who have chronic health conditions who cannot afford this life saving service. This money will help to provide free or reduced rates for qualifying clients to receive the CareLine personal emergency response system.

It is you, our donors that that make our Love Light Trees Shine! Your generosity, caring and love shine on every branch.

*We wish you a joyous holiday season and best wishes for a happy,  
healthy and prosperous New Year.*

Sincerely,

**Fort HealthCare Partners, Love Lights Tree Committee**

# *We are Very Grateful for Your Generosity*

Funds raised during the 2022 Love Lights campaign will be used to help subsidize the cost of the CareLine service for those who cannot afford it. CareLine is a medical personal emergency response system allowing subscribers to get emergency help 24/7 at the press of a button. The system gives peace of mind to both the subscriber and their family. Additionally, funds will be used to support several healthcare scholarships for students and healthcare professionals in the area.

The Partners have sponsored a Scholarship program every year since 1953. Each year in the 1950s through the 1970s, two or three \$500 scholarships were awarded to students going into the nursing field. Today, Partners gives \$10,000 in scholarship awards to students who are pursuing or advancing their career in most any health care field.

With the ever-growing concern for older people living alone, the Partners started another service to help. In 1984, the CareLine Medical Alarm Service was started (formerly called LifeLine). At the one-year anniversary of this program, they had 23 subscribers using the service. Over the years, the equipment has gotten smaller, and now provides advanced technology such as GPS and fall detection. The program has also gotten bigger, now serving approximately 250 people that have the CareLine system.

Continuing to provide these two important services to members of our community is critical for maintaining our commitment to bettering the lives of our friends and neighbors. To keep these commitments a reality for the families that depend on them, we need your help. Your contribution to these very worthwhile projects will be greatly appreciated by not only the Partners, but also by the many local people who will benefit.

If you purchased a Love Light (s) after December 12, 2022, it may not be included in this publication. Names received after December 12 will be included in next year's listing. We apologize for any inconvenience this may cause you, and we sincerely thank you for your donation.

**As members of the Fort HealthCare Partners organization, Fort Memorial Hospital volunteers are an invaluable resource to the community and a vital part of any healthcare organization. Several important roles fulfilled by volunteers add a tremendous amount of value to Fort HealthCare's services and directly influence positive patient and guest experiences. Call 920-568-5276 or toll free at 1-800-421-4677 ext. 5276, or visit [FortHealthCare.com/Volunteer](https://FortHealthCare.com/Volunteer) to learn more.**
