

Love Lights 2023

Reflecting on 39 years of generosity and caring.

Dear Love Light Tree Supporters,

As we reflect on the past 39 years of the Love Lights Project, we want to thank all of you who have made this a successful and long-standing tradition at Fort HealthCare. It is only through your ongoing and loyal support that we have been able to fund and grow some very important programs in our community.

Individuals, organizations and businesses from Fort Atkinson, Jefferson, Lake Mills, Whitewater, Palmyra, and beyond have joined together to support the Fort HealthCare Partners annual Love Light Trees Project. This year, the lights adorned a grove of new pine trees in the front-yard of Fort Memorial Hospital. We look forward to watching these trees grow along with this wonderful event!

In 2023, the Love Lights campaign funds raised will be used to help subsidize the cost of the CareLine service for those who cannot afford it. CareLine is a medical personal emergency response service that allows subscribers to get emergency help 24/7 at the press of a button. The CareLine Program allows individuals to remain in their homes and avoid losing their independence. It also provides peace of mind for their families and loved ones knowing that help can be accessed quickly. For community members who have chronic health conditions and cannot afford this life-saving alert system, the funds raised will allow the Partners CareLine Program to provide FREE or reduced rates to qualifying clients. Funds will also be used to support several healthcare scholarships for students and professionals in the community. We want to ensure that the people entering the healthcare field have resources available to pay for their education.

Your contributions to these worthwhile projects are greatly appreciated by the Partners and the many local people who will benefit.

*We send our heartfelt thanks and wish you a joyous holiday season
and a happy, healthy and prosperous New Year.*

Sincerely,

Fort HealthCare Partners, Love Lights Tree Committee

Love Lights 2023

Long-Standing Traditions...

Each year, the Fort HealthCare partners determine which programs are in most need of funding and support and once again in 2023, it has been determined that the CareLine program and local scholarships for future health care professionals will be the recipients of your donated funds.

In 1984, the CareLine Medical Alarm Service was started (formerly called LifeLine). At the one-year anniversary of this program, there were 23 subscribers using the service. Over the years, the equipment has gotten smaller and now provides advanced technology such as GPS and fall detection. Since the inception, the program has expanded significantly in its reach and now serves approximately 250 people! With the ever-growing concern for older people living alone, the need continues, and the Partners fully endorse and support this program.

The Partners have sponsored the Scholarship Program every year since 1953. During the first twenty years, two or three \$500 scholarships were awarded to students going into the nursing field. Today, the Partners give \$10,000 in scholarship awards annually to students who are pursuing or advancing their career in most any health care field. Continuing to provide these two important services to members of our community is critical for maintaining our commitment to bettering the lives of our friends and neighbors. To keep these commitments a reality for the families that depend on them, we need your help. Your contribution to these worthwhile projects is greatly appreciated by the Partners and by the many local people who benefit.

****If you purchased a Love Light (s) after December 8, 2023, it may not be included in this publication. Names received after December 8 will be included in next year's listing. We apologize for any inconvenience this may cause you, and we sincerely thank you for your donation.**

Fort HealthCare Partners

*Jane Winiarski and Kathy Kakuschke,
Fort HealthCare Partners Co-Presidents*

As members of the Fort HealthCare Partners organization, Fort Memorial Hospital volunteers are an invaluable resource to the community and a vital part of any healthcare organization. Several important roles fulfilled by volunteers add a tremendous amount of value to Fort Healthcare's services and directly influence positive patient and guest experiences. Call 920-568-5276 or toll free at 1-800-421-4677 ext. 5276, or visit FortHealthCare.com/Volunteer to learn more.
