

A Season of Light, A Legacy of Care for 41 Years

Dear Love Light Tree Supporters,

As we celebrate the 41st year of the Love Lights Project, we are filled with gratitude for the individuals, families, organizations, and businesses who continue to make this meaningful tradition possible. For more than four decades, your generosity has illuminated not only our campus, but the lives of countless neighbors across our communities.

Supporters from Fort Atkinson, Jefferson, Lake Mills, Whitewater, Palmyra, and beyond once again came together to honor loved ones and support local healthcare through this cherished annual event. The Love Lights continue to shine brightly on the beautifully lit trees at Fort Memorial Hospital, symbolizing hope, remembrance, and community connection during the holiday season.

In 2025, funds raised through the Love Lights campaign will support two vital initiatives that directly benefit our community. First, contributions will help sustain and expand the CareLine Medical Personal Emergency Response Service, ensuring access to 24/7 emergency assistance for individuals who may otherwise be unable to afford this life-saving service. Second, Love Lights donations will continue to support healthcare scholarships for local students and professionals pursuing careers in healthcare, strengthening the future of care in our region.

Thanks to your generosity, Fort HealthCare is also able to invest in newly remodeled and enhanced patient spaces, ensuring our facilities reflect the high level of care, comfort, and compassion our community deserves.

Your continued support is deeply appreciated by Fort HealthCare Partners and by the many individuals and families whose lives are touched through these programs.

With sincere gratitude and warm holiday wishes for a happy, healthy, and prosperous New Year,

Fort HealthCare Partners,
Love Lights Tree Committee

Long-Standing Traditions. Lasting Impact.

Each year, Fort HealthCare Partners thoughtfully determine where Love Lights funding can make the greatest impact. In 2025, donations will once again support the CareLine Program and local healthcare scholarships, continuing a tradition rooted in compassion, access, and community wellbeing.

Established in 1984, the CareLine Medical Alarm Service has evolved from its early beginnings into a modern, reliable system serving approximately 200 individuals throughout the area. Today's CareLine technology includes features such as GPS location services and fall detection, providing peace of mind for subscribers and their families. By helping cover the cost for individuals who cannot afford the service, Love Lights ensures that more community members can safely remain independent in their homes.

Fort HealthCare Partners have proudly sponsored the Scholarship Program since 1953. What began with a handful of modest nursing scholarships has grown into an annual investment of \$10,000–\$12,000 awarded to students and professionals pursuing careers across a wide range of healthcare fields. These scholarships help build a strong, skilled local workforce and ensure exceptional care for generations to come.

Together, these programs reflect Fort HealthCare's ongoing commitment to improving lives — whether through immediate access to emergency support, investment in future healthcare professionals, or the continued enhancement of patient-centered spaces across our campus.

To continue this important work, we rely on your generosity. Your Love Lights contribution directly impacts neighbors, friends, and families throughout our region, and we are sincerely grateful for your support.

**If you purchased a Love Light(s) after December 12, 2025, it may not be included in this publication. Names received after December 12th will be included in next year's listing. We apologize for any inconvenience this may cause you, and we sincerely thank you for your donation.

Fort HealthCare Partners

As members of the Fort HealthCare Partners organization, Fort Memorial Hospital volunteers are an invaluable resource to the community and a vital part of any healthcare organization. Several important roles fulfilled by volunteers add a tremendous amount of value to Fort Healthcare's services and directly influence positive patient and guest experiences. Call 920-568-5276 or toll free at 1-800-421-4677 ext. 5276, or visit FortHealthCare.com/Volunteer to learn more.
